## DG Tranquil unveils RC CEPZ's 4-Way Test markers at CEPZ Rotary Park

August 18, 2010, Cavite Economic Zone - Rain or shine, RC CEPZ had its unveiling of **The 4-Way Test** and **4-Way Test To A Clean And Healthy Environment** markers at the Rotary Park of Cavite Economic Zone two hours before RC CEPZ Governor's Visit.

RC CEPZ takes pride in putting up Four-Way Test markers inside the economic zone for the objective of educating and informing the public on Rotary International ideals with environmental emphasis.

District Governor Tranquil and

Global President Ding Arias unveiled the Four-Way Test markers with the participation of Governor's Aide for Cavite Area Raymond Camama, Senior Deputy Governor Marni Sy, District Governor Nominee Maeng Mercado, District Protocol Officer Bernie Sagsagat, District Webmaster Gabe Trias, Assistant Governor Roland Paita, Past President Amy Llave, Past President Boyet Castro, and Club Secretary Mai Sotto. This ceremony will not be made possible without the initiative of Global President Ding Arias with the supervision of President-Elect

Norma Valeroso with CEZ utility personnel, Club Treasurer Tess Doneza and Past President Gabe Trias heading the Rotaractors in the cleaning and refurbishing of CEPZ Rotary Park.

Beginning RY 2010-2011, all Four-Way Test markers inside the economic zone will be replaced every year and this will become RC CEPZ's benchmark to indicate the current year's theme and to prevent dilapidated markers such as in the inserted red bordered picture seen by public, therefore, maintaining RI's good public image.

working as a team and how we consider and integrate District goals in our planning system. All the hard works rendered during the three-day planning sessions on May 2010, August 15 Team Visit and special meetings conducted before and after the Team Visit were complemented with positive feedback by the District Team.

Highly regarded projects by the District Team are RC CEPZ Membership and Public Relations strategies, The Rotary Foundation efforts and the legendary Most Outstanding Workers of CEPZ (MOWOC Awards). Another highlight of the conference is DG Tranquil's emphasis on Alay Lakad and DISCON participation. RC CEPZ has committed at least one hundred participants on the former and 100% attendance on the latter.

The Governor's Visit is a validation of RC CEPZ YR 2010-2011 Projects and Plans and RC CEPZ will accomplish all these at all costs. Given a challenge heading the way, we go back and think all what RC CEPZ has done to the community, how it embraced the motto, Service Above Self and how each member was transformed into a great Rotarian.

Looking forward for another year of service and fellowship!

## RC CAVITE EAST & RC CEPZ Joint Induction & Handover Ceremonies

Fuel Your Performance, this is the gist of Gov. Tranquil's inspirational message to RC Cavite and RC CEPZ during its Joint Induction & Handover Ceremonies. Before his speech, Past President Art San Jose surprised DG Tranquil with an introduction represented by a video interview with his colleague DK Tumangan, wife Roselle and daughter Isabela.

Here are the facts for RC CEPZ and RC Cavite East coming from DG Tranquil himself: RC CEPZ and RC Cavite East are the first two clubs he was invited as the Guest of Honor in the unveiling of the 4-Way Test markers and also the first top 2 budgeted projects as of this induction date, August 18, 2010 at Island Cove.

Below are some highlights of the event:
